SUMMARY

Computer engineering graduate proficient in problem-solving. Java Developer, Front End Developer, passionate about leveraging data and technology to drive impactful solutions.

TECHNICAL SKILLS

Languages : Core Java, HTML, CSS, JavaScript, SQL, Data Structures with Java,python
Frameworks : React.js, Basics of Spring Boot

INTERNSHIP

Java Programming Intern

CodeTech IT Solutions Pvt. Ltd.

July 2024

Remote

- Developed a **Library Management System** and a **Task Tracker Application** using Java Swing, focusing on user roles and reminders.
- Implemented database connectivity and error handling, improving application reliability.

Web Development Intern

Oasis Infobyte

Sep 2023 – Oct 2023

Remote

- Created a responsive **Personal Portfolio Website** and an interactive **Temperature Converter** using HTML, CSS, and JavaScript.
- Optimized page loading speeds and improved user experience across devices and browsers.

Infosys Springboard

Infosys Ltd.

Oct 2024 – Present

Remote

- Completed the **Pragati: Path to Future Cohort 3 Program**, enhancing digital skills and leadership through workshops and real-world case studies.
- Earned certifications in **AI Foundations** and **Personality Foundry Resources**.

EDUCATION

Sri Venkateswara University College of Engineering

Bachelor of Science in Computer Science – 8.1 CGPA

Tirupati

2022 – 2025

Govt Polytechnic For Women

Diploma in Computer Engineering – 8.9 CGPA

Kadapa

2019 – 2022

Z.P. High School

Secondary School Education – 9.7 CGPA

Rami Reddy Palli

2019

PROJECTS

SVU Academics

React.js, Figma, Google Drive

- Developed a web application for **seamless access to university question papers** using **React.js** and **Figma**.
- Integrated **Google Drive API** for storage and retrieval with role-based access control.

BookMyShow with Concurrency

IntelliJ IDEA, Core Java, Multithreading

- Built an online ticket booking system using **multithreading** to manage concurrent seat reservations.
- Utilized design patterns like Singleton and Observer, ensuring scalable and reliable performance.

CERTIFICATIONS

- AI Foundation Certificate By Infosys Springboard
- Certified in Introduction to Business Intelligence from Infosys springboard
- Certified in SQL from HackerRank
